

**District Mission and Planning**  
**C-110-P**

The mission of the North Platte R-I School District is: North Platte R-I is dedicated to empowering all individuals to successfully meet tomorrow's challenges.

The Board has a long-range plan for the governance of the District that is guided by the District's mission, priorities, goals and objectives. The strategic plan will be developed and amended under the direction of the Board and with input from key District stakeholders.
