

Visitors to District Property and Events

C-155-P

All visitors to school property or events must demonstrate appropriate behavior as good role models for the District's students. Visitors during school hours, including Board members, must sign in at the building office prior to proceeding elsewhere in the building. The principal of each school building will ensure signs are posted to direct visitors to designated doors nearest the building office.

Disruptive Conduct

Visitors who engage in disruptive conduct or exceed the scope of permission granted may be considered trespassers and subject to arrest and prosecution. The Superintendent or designee may limit or revoke permission to visit school property or parts of school property at any time. The Superintendent or designee may inform the visitor that he or she is not welcome back on District property or at District events indefinitely or for a specific period of time. During any period of prohibition, the visitor will not be allowed on District property. The Superintendent may make exceptions for parents, guardians or custodians of students enrolled in the District if the person's presence is necessary to transport the student or may benefit the student educationally, or in situations where the parent, guardian or custodian will be supervised at all times.

Possession of Weapons

Possession of weapons, including concealed weapons, on District property, on District transportation or at any District function or activity sponsored by the District unless the visitor is an authorized law enforcement official or is specifically authorized by the Board.

Sex Offenders

Individuals listed on the Missouri Highway Patrol's sex offender registry may not be present in any school building, or on District property, in any District vehicle utilized to transport students, or be present at school activities without the written permission of the Superintendent. For those extraordinary circumstances when permission is granted, it will be granted in writing for a specific event. In such cases, the Superintendent will notify the principal of the building in which the sex offender will be present and arrange for the sex offender to be supervised at all times and the sex offender will not be permitted to be alone with a child.
