

Salary Deductions **F-195-P**

Voluntary Deductions

The District may authorize voluntary payroll deductions from compensation earned by employees if ten or more employees so request. The employee must authorize all voluntary deductions in writing. In addition to the deduction of amounts authorized by the employee, the District may deduct the administrative cost of compliance. The amount deducted will be remitted to the organization, company or association authorized by the employee.

Involuntary Deductions

The District may make deductions when an employee owes the District money and the deduction does not otherwise violate the law. The District may make deductions from an employee's pay for unauthorized absences. The District will also make deductions when presented a garnishment, wage attachment or other legal order. The District may charge an administrative fee for processing such deductions when allowed by law.

Salary deductions for exempt employees shall be computed by dividing the salary, excluding extra-duty pay, by the number of days in the contract period. Deductions for nonexempt employees shall be based upon the hourly rate of the individual employee.

Improper Deductions

Employees who believe that pay deductions have been improperly made should immediately report the concern to the Superintendent or designee.
