

Firearms and Weapons
F-235-P

Weapons may only be possessed on school property by commissioned law enforcement officers, other specifically trained individuals, or for the purpose of a school-sanctioned firearm related event. Examples of school sanctioned events include gun safety courses for students, military student programs, or school sponsored club shooting team.

A weapon is defined as a device readily capable of lethal use, or device designed to mimic a weapon. Unless exempted by this policy, weapons are banned from all District property and District related events, as allowed by law. The District will follow all state and federal law that addresses the discipline of individuals that violate this policy.
