

**Animals on District Property**  
**F-250-P**

Eligible students or adults with disabilities may utilize a service animal on District property or District events as required by law and the conditions of this policy. The District will not discriminate based on an individual's disability.

The definition of a service animal will be based upon state and federal law. The task of a service animal must be based upon the disability of the individual. The "deterrent of crime" effect of a service animal's presence and the provision of emotional support, well-being, comfort, or companionship does not constitute work or task for the purpose of this definition.

The definition of a service animal applies to a dog and in some cases a miniature horse. If a miniature horse, the District will determine if the presence of the horse compromises facility safety requirements, and what modifications might need to be made because of the weight and size of the horse. The District may inquire what task or work the animal has been trained to perform, and whether the animal is required because of a disability. The District will not request documentation to determine whether the animal has been trained or certified as a service animal.

Service animals will not be allowed on District property if they present a safety risk or a health threat to students, employees or visitors. The District is permitted to make additional inquiries of the individual or service animal as permitted by law.
